The Zone will be made up of the following countries: Albania, Austria, Bosnia-Herzegovina, Croatia, Czech Republic, Hungary, Italy, Kosovo, Macedonia, Montenegro, Poland, Serbia, Slovenia and Slovakia (to be mentioned as Zone Countries).

In 2018 there will be announced Zone-Championships in Autocross, Circuit Racing (also for historic cars), Endurance, Cross-Country, Hill-Climb (also for historic cars), Karting, Rally (also for historic cars), Rallycross, Slalom and Drifting reserved for drivers holding a valid national or international licence issued by one of the ASNs belonging to the zone. The starting permission for abroad is not obligatory.

The Zone-Championship-events are listed in Art. 14. For every discipline a maximum of 14 events will be listed in the calendar (one per member-ASN). The final decision about the number of events counting to the Championship will be taken by the board of the FIA-CEZ-countries, but no additional event must be added after January 31, 2018.

If not all ASNs enter events for a Championship, the Zone-board will decide upon the events to fill up to the max. number of 14, respecting the following:

- If ASNs enter only events for a max. of 2 disciplines, the board may accept one additional event from these ASNs in these discipline-Championships.
- If there are less than 10 events entered then all ASNs may forward a 2<sup>nd</sup> event for that Championship following the CEZ-board will finally decide which of these events will be accepted.

• The max. number of 14 events per discipline will never be increased by such decisions..

If necessary for exceptional reasons, a movement of events (dates and/or locations) may be applied by the home ASN during the season, but to free dates only and this must be announced at least 60 days before the start of such an event. Otherwise the event will be deleted from the Championship Calendar. The official calendar will be available at the CEZ-ASN-offices and at www.cez-motorsport.com.

# 1.2 Regulations/Officials

All Zone-Championships must be organised in conformity with the specifications listed in the International Sporting Code and its Appendices, the national Sporting Codes of the ASN's where the events will be organised, the present regulations for the FIA-Central European Zone-Championships and the supplementary regulations of the event concerned.

The Officials are appointed by the ASN of the organiser; at least one of the Stewards should be nominated from one of the other CEZ-ASNs (with exception of Slalom- and Drifting-events, where only one Steward is obligatory). In order to support foreign competitors a Crews' Relations Officer speaking English language should be appointed in the Supplementary Regulations.

#### **1.3 Supplementary Regulations**

The regulations should be published in English, plus the national language where appropriate. Copies of the definitive regulations must be sent by email (<u>automobily@autoklub.cz</u>) to the secretariat of the Zone at least 45 days before the event is due to start to be published at www.cez-motorsport.com.

If an organiser is not able to run all classes, groups, categories published in the Zone Championship regulations at his event, he must clearly state such restriction in the S.R. Also the minimum-number of entries for the classes, groups, categories – if there is one - for the events must be stated in the S.R.

#### 1.4 List of seeded Drivers

The entries of drivers listed on 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> place on a national priority list, must not be rejected.

#### 1.5 Entries

Only drivers who are holders of national or international licences of one of the ASNs of the countries of the Zone may enter. For the Championship-results only drivers with a minimum-age of 16 years will be respected (different age-limits for the participants in the Autocross-JuniorBuggy- Championship and the Karting- Championship are defined in the Championship-rules for these disciplines). If drivers younger than 16 years are allowed to participate in events according national rules, this will be stated in the S.R. of such events – but these drivers will not be respected for the Championship-results.

Entries should be submitted to the organiser of the event concerned according to the prescriptions of the FIA-International Sporting Regulations. The Zone-Countries are free to make mutual agreements concerning entry fees.

For all entries to CEZ-Championship-events the following applies:

The classification of participants in CEZ-Zone events for the Zone-Championships must neither depend on any additional entries nor additional entry-fees. An entrant/driver sending the entry-form to an organiser or ASN agrees to take part in this event even if he has not paid the entry-fee in time. An entrant/ driver not presenting him at the verification of the event and not excusing this in written form in advance, will have to pay the entry-fee.

# **1.6 Attribution of Points and Classification**

In each discipline, group, division or category of the Zone-Championships, points are awarded in accordance to the scale published in the regulations, chapters "Classifications" for every Championship. All results will be counted; no results will be retained from the final list (for Karting see Art.11.4).

Only those drivers, who have taken part in at least one event in the respective discipline under the sovereignty of another ASN than their parent one, will be classified for the final results of the CEZ-Championship. "Taking part" means to be at the start of at least one race (heat) of the event in question (for Autocross and Rallycross this means to participate in the official practise).

Further regulations see rules for each Zone-Championship.

Should there be less than 3 drivers classified in the final result of a group or a category of CEZ-Championship, this Championship will be declared null and void.

- 2) the value of the places obtained in the classifications of the qualifying events in which everyone of them has participated.

In cases of a further tie, the drivers will be listed in the Championship-result on the same position.
